

Driving Efficiency: Three Reasons You're Not Attracting and Retaining the Right Staff

Why Attend?

Discover how you can attract the best talent to run an efficient practice and improve the patient experience.

You will learn to:

- Build the right team using roles with career potential
- Get oversight of areas such as: HR, compliance, and training
- Improve office culture and optimize work space
- Enhance data, systems and workflows
- Ensure financial position to employ the best talent
- Understand how staff communication impacts reputation

Refreshments and food to be served.

Why HSP?

The Healthcare Solution Partners (HSP) is your independence ecosystem, bringing together individual experts in IT, insurance, legal, accounting, marketing, architecture, office design, banking, HR, compliance, and consulting. Save valuable time, improve patient experience, enhance staff satisfaction, increase revenue and efficiency, and access trusted resources with HSP.
